

THE CROYDON

# Sports Club Guide

# Croydon Sports Club Guide

This Sports Guide is designed to keep young people connected with Sport and Physical Activity (SPA). The Council and our Partners have pulled this guide together, and we compiled a comprehensive list of all the clubs and societies related to SPA in Croydon.

SPA is an excellent way of improving our physical and mental well being. It can improve a person's confidence, social skills, and ability to plan and think effectively. As we move towards the London Olympic and Paralympic Games in 2012, this agenda is going to see a much greater investment, and there will be chances to participate as players, coaches, referees, and volunteers.

So use this guide, and keep in touch; both while you are at School and when you leave.

**Keep active, stay healthy and be happy!**

# Sport England

Sport England is the Government Agency that has responsibility for ensuring that the UK has an increasing amount of people from all communities that participate in sport and physical activity. Croydon Council works with Sport England and other partners to ensure that a range of opportunities are available.

If you are interested in more information see:  
[www.activeplaces.com](http://www.activeplaces.com)

## 'Pro Active'

'Pro Active South London' is the organisation that develops sport and physical activity across South London. It was set up as part of the London programme that Sport England is delivering – to bring sport and physical activity into the lives of more people, offering everyone a chance to play and compete.

## 'Go South Go'

Even though the Olympic Games is over 5 years away, the UK will be hosting the 'Olympiad' from the end of the Beijing Games, in August 2008. Go South Go is the partnership that South London has set up to make the most out of the potential that the Games will bring to our area. The group is the formal link for South London with the organisers of the Games; it lobbies, plans and brings professionals and volunteers in the South London region together.

For more information on the web, please see:  
[www.gosouthgo.co.uk](http://www.gosouthgo.co.uk)

# Access for All

Croydon's Pools and centres are set up to provide a wide range of sports, recreation and exercise opportunities for people with disabilities. Croydon's pools have disabled changing facilities and full access to their facilities. The gyms and fitness suites have adaptable machines to accommodate those with disabilities while the pools offer activities from Aquafit classes through to swim clubs.

Certain Pools and Gyms also run sessions for different sections of the community, in order to provide a service that meets the needs for local residents.

## Disabled Clubs

Contact [Paul.Funnell@croydon.gov.uk](mailto:Paul.Funnell@croydon.gov.uk) (tel 07990790183) for information regarding clubs specifically run for the disabled. Other clubs in this guide should be contacted directly, regarding the availability of disabled facilities.

## Leisure Link

Leisure Link is a group of people who meet to talk about leisure for people with learning disabilities in Croydon. Leisure Link meetings take place once every two months. A Leisure Link newsletter comes out once every two months and includes information about leisure activities for people with learning disabilities.

If you are interested in more information see:  
[www.croydononline.org/leisure/leisurelink.asp](http://www.croydononline.org/leisure/leisurelink.asp)
